

Dear Parent/Carer

Young people of mixed/multiple heritage represent the fastest growing ethnic minority group in the country. The Multiple Heritage Project is working in partnership with Walsall Children's Services to recognise and celebrate this demographic trend.

Your son/daughter has been invited to this landmark event, the first of its kind to take place in Walsall:

**Mixed-Race Conference on 1st July 2009  
At The Compass Hotel, Walsall,  
20 Wolverhampton Road West, Bently, WS2 0BS  
from 9.30 to 3.00pm**

The event will allow 50 students (aged 12-15) from several Walsall an opportunity to celebrate their identity, discuss appropriate terminology and inform school leaders and the Local Authority on strategies for the future.

The press have also been invited and may want to film, photograph and interview the young people involved. Your consent will allow them to participate in these activities.

Food will be provided and your child's school has agreed to supply transport. I sincerely hope you will allow your son/ daughter to be part of this exciting day.

Yours faithfully
